NEW Contracts:

Publishing Concepts LP (PCI) Agreement

The Foundation for Lincoln Public Schools has entered into a services agreement with Publishing Concepts LP (PCI) to produce an Alumni Directory for the Lincoln Public Schools district. This partnership provides a mutual benefit: PCI updates the Foundation's alumni database at no cost, donates \$1,000 to the Foundation, and supplies 25 copies of the published directory. No alumni records are sold to external parties. The project is scheduled to launch in April 2026.
